• Points by Paul:

→ Git Assignment (Everyone passed)

→ Quick summary of what we've done

→ Questions about GIT

→ Feedback on 1B assignment

→ Deadlines being informed

→ Everyone at least one merge request on the project + try the template (by the end of the week)

• Backlog ...

→ A few changes to the draft

[from the feedback
from second Q&A

• Code of conduct

→ Separate meeting for that (Wed at 18:00)
